

IT'S HARD TO FIND THE WORDS

See if you can find all of these tricky-to-spell words in the puzzle below. They go every which way: forward, backward, left, right, up, down, and diagonally. When you've found all the words, copy the unused letters (starting in the top left corner of the puzzle and moving to the right) into the blank squares to reveal a hidden message. You can find the answers on the same web page where you got this puzzle.
